**A HUNTING EXPERIENCE TO REMEMBER**

Whether it be a truly memorable pheasant hunt, whitetail or mule deer, or even the pursuit of a trophy antelope, our select staff, game abundant properties and comfortable accommodations are all geared to ensure your unparalleled success.

Our lands are renowned world-wide for its pheasant hunting, and rightfully so. Did you know that only three times in the past 20 years has the annual pheasant harvest been under 1 million roosters, and those "down" years had well over 900,000 harvested birds?

The deer herd is about 50 percent whitetail and 50 percent mule deer. Whitetails generally prefer the brushy creeks, cottonwood river bottoms and adjoining prairies, while mule deer can be found in the gullies and cedar draws of the river breaks as well as in Badlands terrain.
